TIPS FOR TRAVELING WITH KIDS

1. TRY AND BOOK YOUR FLIGHTS FOR THE RIGHT TIME OF DAY FOR THE AGE OF YOUR CHILD.

Travel with young children when they can nap

If your kids are early birds take the early flights

4. BRING YOUR CAR SEAT AND A GOOD STROLLER

Your child's car seat is a great way to keep kids safe on an airplane and it is familiar to them.

A stroller that can maneuver easily in crowds or be packed away when needed is essential to getting your kids around airports, theme parks or cities.

2. SPEND A LITTLE EXTRA ON DIRECT FLIGHTS, AND A SEAT FOR YOUR CHILD UNDER THE AGE OF 2

5. BUILD IN EXTRA TIME WHEN TRAVELING

Remember that you will have extra luggage, perhaps a stroller and kids who do not move as fast as you do

6. SNACKS

Make sure you have a bunch of their favorite snacks and maybe a few special surprises that they can eat while traveling

Pack gum, suckers for their ears to help with the take-off and landing. And don't forget about the little ones, provide a bottle or pacifier for baby too!

7. ENTERTAINMENT

Bring your personal movie and gaming devices and or tablets and have them loaded up with your kid's favorite games and movies. Add a couple of new ones before you leave so they have something new to check out. Don't forget the headphones!

Books - From reading to coloring, they never go out of style

8. PLAN A VACATION THAT HAS SOMETHING FOR EVERYONE

Think of age appropriate activities for your children

Leave time for relaxing and just hanging out

9. PACKING

- Let them bring their one favorite toy and or blanket
- Bring extra clothes and shoes as kids get dirty
- Hand sanitizer and wipes are a MUST!
- First Aid kit - Band Aids and Antiseptic
- Bring the basic med's: Ibuprofen, cough syrup, ear drops
- Medications - Don't forget any prescriptions at home

10. CAMERAS

Invest in a good camera to capture all of those precious moments
